1. LOGGING OFF [Top](#)

The screenshot shows the Wincite web application interface. The navigation menu at the top includes 'Cite', 'Search', 'Reports', 'Admin', 'Logoff', and 'Help'. The 'Logoff' tab is highlighted with an orange box, and an orange arrow points to it. The 'Agency' dropdown menu is set to '1 City of Phoenix', and the 'Cite' input field contains the number '1', also highlighted with an orange box. The interface includes a sidebar with various functions, a main search area with a 'Logoff' button highlighted, and a summary table at the bottom.
